

Have you qualified for the wellness incentive?

Your wellness coordinator is unable to confirm whether or not you have met the incentive requirements. The good news is that YOU CAN by checking your Rewards Wheel!

To do so, log into RedBrick (<https://tew.redbrickhealth.com>) and click 'Rewards'. If your Rewards Wheel is all **GREEN** you are **good to go** for the 2021 [wellness incentive](#).

You are viewing the current plan period.

If your wheel is **orange** or **gray**, you have **NOT** met your [incentive requirements](#) and still have activities to complete by Sept. 30, 2020 in order to qualify for the 2021 wellness incentive.

This page (Rewards) also allows you to review the activities that you've completed and which ones are still available for you to earn more points. More specifically, the [View History](#) button shows you all of the activities (including dates) that you've completed this program year (beginning Oct. 1, 2019).
